

A presentation slide for DEFCON 16. The background is a dark blue map of the world with various cities and regions highlighted in different colors (red, green, blue). The text is overlaid on the map. At the top left, it says 'DEFCON 16' and '00:23:44'. At the top right, there is a 'Scoreboard' section with 'CPUPlayer 2', 'CPUPlayer 1', and 'CPUPlayer 0'. The main title is 'Bypassing pre-boot authentication passwords' in large white font. Below it is the subtitle 'by instrumenting the BIOS keyboard buffer (practical low level attacks against x86 pre-boot authentication software)'. The author is 'Jonathan Brossard - iViZ Technosolutions Research Team'. Contact information includes 'jonathan@ivizindia.com' and 'endrazine@gmail.com'. At the bottom center, it says 'DEFCON 16' in red. At the bottom right, there are some small icons.
